## Choosing Your Topic

### *Question*

Write your question below. Make sure it is a complete sentence.

---

---

Look back at your question.

- Does it make sense?
- Is it interesting?
- Can you test it in a measurable way?**

### *Purpose*

Explain the purpose of your project in paragraph format. Why would anybody care about your research? How is your research valuable to anybody?

---

---

---

---

---

---

---

---

---

---

---

---

Look back at your purpose.

- Is your purpose clearly stated?
- Does it make sense?
- Did you explain why anybody would care about your research?
- Did you explain how your project would be valuable to somebody?
